Individual Contributor License Agreement ("Agreement")

Thank you for your interest in the ForestFlow open source project (hereinafter "Project") which has selected the Apache License Version 2.0 (hereinafter "AL-2.0") license for its inbound contributions. The terms You, Contributor and Contribution are used here as defined in the AL-2.0 license.

The Project is required to have a Contributor License Agreement (CLA) on file that binds each Contributor.

You agree that all Contributions to the Project made by You shall be submitted and licensed to the project under the AL-2.0, and that You agree to, and shall be bound by, the terms of the AL-2.0.
